Interrupted time series regression for the evaluation of public health interventions: a tutorial

#	Paper	IF	Citations
1247	The role of implementation science training in global health: from the perspective of graduates of the field's first dedicated doctoral program. **2016**, 9, 31899		7
1246	The impact of telephonic wellness coaching on weight loss: A "Natural Experiments for Translation in Diabetes (NEXT-D)" study. **2017**, 25, 352-356		18
1245	Medium-term impact of the economic crisis on mortality, health-related behaviours and access to healthcare in Greece. **2017**, 7, 46423		31
1244	The Effect of Opioid Prescribing Guidelines on Prescriptions by Emergency Physicians in Ohio. **2017**, 70, 799-808.e1		66
1243	The clinical and cost effectiveness of a virtual fracture clinic service: An interrupted time series analysis and before-and-after comparison. **2017**, 6, 259-269		43
1242	Impact of Hospital "Best Practice" Mandates on Prescription Opioid Dispensing After an Emergency Department Visit. **2017**, 24, 905-913		19
1241	The need for a complex systems model of evidence for public health. **2017**, 390, 2602-2604		486
1240	Implementation and evaluation of a paediatric nurse-driven sedation protocol in a paediatric intensive care unit. **2017**, 7, 36		17
1239	The impact of introducing a new hospital financing system (DRGs) in Poland on hospitalisations for atherosclerosis: An interrupted time series analysis (2004-2012). **2017**, 121, 1186-1193		4
1238	Sanction changes and drunk-driving injuries/deaths in Taiwan. **2017**, 107, 102-109		9
1237	Reply. **2017**, 15, 1814		1
1236	Association between home visiting interventions and First Nations families' health and social outcomes in Manitoba, Canada: protocol for a study of linked population-based administrative data. **2017**, 7, e017626		3
1235	Increasing colorectal cancer incidence trends among younger adults in Canada. **2017**, 105, 345-349		68
1234	Change in non-alcoholic beverage sales following a 10-pence levy on sugar-sweetened beverages within a national chain of restaurants in the UK: interrupted time series analysis of a natural experiment. **2017**, 71, 1107-1112		16
1233	Comment on: Impact of pneumococcal conjugate vaccine in children morbidity and mortality in Peru: Time series analysis. **2017**, 35, 4825		
1232	Employment changes associated with the introduction of taxes on sugar-sweetened beverages and nonessential energy-dense food in Mexico. **2017**, 105S, S43-S49		46
1231	Effects of the 2009 Medical Cannabinoid Legalization Policy ˊonˊHospital Use for Cannabinoid Dependency and Persistent Vomiting. **2017**, 15, 1876-1881		16

1158   The impact of pharmacy-based immunization services on the likelihood of immunization in the United States. **2018**, 58, 505-514.e2   24

1157   Letter to the Editor about Pereira, Andresen & Mota (2016) A temporal and spatial analysis of homicides **2018**, 59, 111-112   1

1156   Opioid Prescribing in the United States Before and After the Centers for Disease Control and Prevention's 2016 Opioid Guideline. **2018**, 169, 367-375   179

1155   Effect of European Medicines Agency's restrictions on trimetazidine utilization in Portugal. **2018**, 27, 962-968   1

1154   Impact of a clinical interventions bundle on uptake of HPV vaccine at an OB/GYN clinic. **2018**, 36, 3599-3605   9

1153   Bed management team with Kanban web-based application. **2018**, 30, 708-714   1

1152   Lack of impact of rotavirus vaccination on childhood seizure hospitalizations in England - An interrupted time series analysis. **2018**, 36, 4589-4592   12

1151   Age-related decline in antibiotic prescribing for uncomplicated respiratory tract infections in primary care in England following the introduction of a national financial incentive (the Quality Premium) for health commissioners to reduce use of antibiotics in the community: an interrupted time series analysis. **2018**, 73, 2883-2892   33

1150   Evaluation of a Multilevel Intervention to Reduce Preterm Birth Among Black Women in Newark, New Jersey: A Controlled Interrupted Time Series Analysis. **2018**, 22, 1511-1518   1

1149   Spillover Effect of Evidence-Based Postoperative Opioid Prescribing. **2018**, 227, 374-381   36

1148   Mortality from type 2 diabetes and implementation of the PREVENIMSS program: a time series study in Mexico, 1998-2015. **2018**, 34, e00103117   3

1147   Impact of calorie labelling in worksite cafeterias: a stepped wedge randomised controlled pilot trial. **2018**, 15, 41   26

1146   Implementation of long-term care and hospital utilization: Results of segmented regression analysis of interrupted time series study. **2018**, 78, 221-226   2

1145   Electrocardiogram Monitoring After the Food and Drug Administration Warnings for Citalopram: Unheeded Alerts?. **2018**, 66, 1562-1566   3

1144   Promoting the Use of Reusable Coffee Cups through Environmental Messaging, the Provision of Alternatives and Financial Incentives. **2018**, 10, 873   32

1143   Decreasing incidence of pharmacologically and non-pharmacologically treated type 2 diabetes in Norway: a nationwide study. **2018**, 61, 2310-2318   26

1142   Changes in Outpatient Use of Antibiotics by Adults in the United States, 2006-2015. **2018**, 41, 1333-1342   11

1141   Effectiveness of employer financial incentives in reducing time to report worker injury: an interrupted time series study of two Australian workers' compensation jurisdictions. **2018**, 18, 100   15

1140 The implementation of academic detailing and its effectiveness on appropriate prescribing of pain relief medication: a real-world cluster randomized trial in Belgian general practices. **2018**, 13, 6 — 7

1139 Postoperative opioid prescribing practices and the impact of the hydrocodone schedule change. **2018**, 164, 879-886 — 10

1138 Effectiveness of India's National Programme to save the girl child: experience of Beti Bachao Beti Padao (B3P) programme from Haryana State. **2018**, 33, 870-876 — 5

1137 An Assessment of Inappropriate Antibiotic Use and Guideline Adherence for Uncomplicated Urinary Tract Infections. **2018**, 5, ofy198 — 46

1136 Impact of involvement of non-formal health providers on TB case notification among migrant slum-dwelling populations in Odisha, India. **2018**, 13, e0196067 — 8

1135 Data availability, reusability, and analytic reproducibility: evaluating the impact of a mandatory open data policy at the journal. **2018**, 5, 180448 — 98

1134 A methodological framework for model selection in interrupted time series studies. **2018**, 103, 82-91 — 54

1133 Measuring the impact of the 2012 European pharmacovigilance legislation on additional risk minimization measures. **2018**, 17, 975-982 — 5

1132 The impact of "Option B" on HIV transmission from mother to child in Rwanda: An interrupted time series analysis. **2018**, 13, e0192910 — 6

1131 Effect of restricting the legal supply of prescription opioids on buying through online illicit marketplaces: interrupted time series analysis. **2018**, 361, k2270 — 35

1130 Correlations versus Causation. **2018**, 41-55

1129 A perioperative multidisciplinary care bundle reduces surgical site infections in patients undergoing synchronous colorectal and liver resection. **2019**, 21, 181-186 — 2

1128 Evaluating the impact of health reforms in the Netherlands: Assessing the impact of an alcohol ban on sexually transmitted infections in national surveillance data. **2019**, 123, 992-997 — 1

1127 Persistence with dual antiplatelet therapy after percutaneous coronary intervention for ST-segment elevation acute coronary syndrome: a population-based cohort study in Catalonia (Spain). **2019**, 9, e028114 — 3

1126 Comparison of iodine status pre- and post-mandatory iodine fortification of bread in South Australia: a population study using newborn thyroid-stimulating hormone concentration as a marker. **2019**, 22, 3063-3072 — 4

1125 Personalized rheumatic medicine through dose reduction reduces the cost of biological treatment - a retrospective intervention analysis. **2019**, 48, 398-407 — 3

1124 The impact of the single exit price policy on a basket of generic medicines in South Africa, using a time series analysis from 1999 to 2014. **2019**, 14, e0219690 — 2

1123 Impact of Schedule IV controlled substance classification on carisoprodol utilization in the United States: An interrupted time series analysis. **2019**, 202, 172-177 — 7

1122	Integrated vector management with additional pre-transmission season thermal fogging is associated with a reduction in dengue incidence in Makassar, Indonesia: Results of an 8-year observational study. **2019**, 13, e0007606	4
1121	Health insurance coverage among American Indians and Alaska Natives in the context of the Affordable Care Act. **2019**, 1-16	3
