

CITATION REPORT

List of articles citing

Meta-analysis of benefits of portal-superior mesenteric vein resection in pancreatic resection for ductal adenocarcin

DOI: 10.1002/bjs.9969

British Journal of Surgery, 2016, 103, 179-91.

Source: <https://exaly.com/paper-pdf/63487300/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
