

CITATION REPORT

List of articles citing

Africa's changing farm size distribution patterns: the rise of medium-scale farms

DOI: 10.1111/agec.12308

Agricultural Economics (United Kingdom), 2016, 47, 197-214.

Source: <https://exaly.com/paper-pdf/63670537/citation-report.pdf>

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
