

# CITATION REPORT

List of articles citing

The effects of vitamin D, K and calcium co-supplementation on carotid intima-media thickness and metabolic status in overweight type 2 diabetic patients with CHD

DOI: 10.1017/s0007114516001847

British Journal of Nutrition, 2016, 116, 286-93.

**Source:** <https://exaly.com/paper-pdf/63702699/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
