

CITATION REPORT

List of articles citing

Genetic Drift during Systemic Arbovirus Infection of Mosquito Vectors Leads to Decreased Relative Fitness during Host Switching

DOI: 10.1016/j.chom.2016.03.002
Cell Host and Microbe, 2016, 19, 481-92.

Source: <https://exaly.com/paper-pdf/63889180/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
