

# CITATION REPORT

List of articles citing

Renal cell carcinoma with thrombus extending to the hepatic veins or right atrium: operative strategies based on 41 consecutive patients

DOI: 10.1093/ejcts/ezw023

European Journal of Cardio-thoracic Surgery, 2016, 50, 317-21

**Source:** <https://exaly.com/paper-pdf/63899841/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
