

# CITATION REPORT

List of articles citing

## Pregabalin and Speech Pathology Combination Therapy for Refractory Chronic Cough: A Randomized Controlled Trial

DOI: 10.1378/chest.15-1271  
Chest, 2016, 149, 639-48.

**Source:** <https://exaly.com/paper-pdf/64111205/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
