

# CITATION REPORT

List of articles citing

## Biliary atresia and other cholestatic childhood diseases: Advances and future challenges

DOI: 10.1016/j.jhep.2016.04.032  
Journal of Hepatology, 2016, 65, 631-42.

**Source:** <https://exaly.com/paper-pdf/64160359/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
