

CITATION REPORT

List of articles citing

Vascular cognitive impairment neuropathology guidelines (VCING): the contribution of cerebrovascular pathology to cognitive impairment

DOI: 10.1093/brain/aww214
Brain, 2016, 139, 2957-2969.

Source: <https://exaly.com/paper-pdf/64181775/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
