

CITATION REPORT

List of articles citing

"Trying, But Failing" - The Role of Inhaler Technique and Mode of Delivery in Respiratory Medication Adherence

DOI: 10.1016/j.jaip.2016.03.002

Journal of Allergy and Clinical Immunology: in Practice, 2016, 4, 823-32.

Source: <https://exaly.com/paper-pdf/64187201/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
