# CITATION REPORT List of articles citing

Frailty and the Prediction of Negative Health Outcomes: A Meta-Analysis

DOI: 10.1016/j.jamda.2016.09.010 Journal of the American Medical Directors Association, 2016, 17, 1163.e1-1163.e17.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
