## CITATION REPORT List of articles citing

Mitochondrial uncouplers inhibit clathrin-mediated endocytosis largely through cytoplasmic acidification

DOI: 10.1038/ncomms11710 Nature Communications, 2016, 7, 11710.

Source: https://exaly.com/paper-pdf/64532523/citation-report.pdf

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
