

CITATION REPORT

List of articles citing

International Registry of Patients Carrying TGFBR1 or TGFBR2 Mutations: Results of the MAC (Montalcino Aortic Consortium)

DOI: 10.1161/circgenetics.116.001485

Circulation: Cardiovascular Genetics, 2016, 9, 548-558.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
