

CITATION REPORT

List of articles citing

TFE3-positive renal cell carcinomas are not always Xp11 translocation carcinomas: Report of a case with a TPM3-ALK translocation

DOI: 10.1016/j.prp.2016.07.004

Pathology Research and Practice, 2016, 212, 937-942.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
