CITATION REPORT List of articles citing

Profiling of mRNA and long non-coding RNA of urothelial cancer in recipients after renal transplantation

DOI: 10.1007/s13277-016-5148-1 Tumor Biology, 2016, 37, 12673-12684.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
