

# CITATION REPORT

List of articles citing

Hemi-gland focal low dose rate prostate  
brachytherapy: An analysis of dosimetric outcomes

DOI: 10.1016/j.radonc.2016.09.014

Radiotherapy and Oncology, 2016, 121, 310-315.

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
