

CITATION REPORT

List of articles citing

Identification and validation of multiple cell surface markers of clinical-grade adipose-derived mesenchymal stromal cells as novel release criteria for good manufacturing practice-compliant production

DOI: 10.1186/s13287-016-0370-8

Stem Cell Research and Therapy, 2016, 7, 107.

Source: <https://exaly.com/paper-pdf/64801550/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
