

CITATION REPORT

List of articles citing

Treatment of heart failure in adult congenital heart disease: a position paper of the Working Group of Grown-Up Congenital Heart Disease and the Heart Failure Association of the European Society of Cardiology

DOI: [10.1093/eurheartj/ehv741](https://doi.org/10.1093/eurheartj/ehv741)

European Heart Journal, 2016, 37, 1419-27.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
