**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
246	Dietary $\omega$ -3 Fatty Acids, Marine $\omega$ -6 Fatty Acids, and Mortality in a Population With High Fish Consumption: Findings From the PRevenci3n Dieta MEDiterr3nea (PREDIMED) Study. <i>Journal of the American Heart Association</i> , <b>2016</b> , 5,	6	2
