

CITATION REPORT

List of articles citing

Infectious Disease-Related Emergency Department Visits of Elderly Adults in the United States, 2011-2012

DOI: 10.1111/jgs.13836

Journal of the American Geriatrics Society, 2016, 64, 31-6.

Source: <https://exaly.com/paper-pdf/65454095/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
