

CITATION REPORT

List of articles citing

International Genome-Wide Association Study Consortium Identifies Novel Loci Associated With Blood Pressure in Children and Adolescents

DOI: 10.1161/circgenetics.115.001190

Circulation: Cardiovascular Genetics, 2016, 9, 266-278.

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
