

CITATION REPORT

List of articles citing

Blood pressure response to exercise in young athletes aged 10 to 18 years

DOI: 10.1139/apnm-2015-0101

Applied Physiology, Nutrition and Metabolism, 2016, 41, 41-8.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
