

# CITATION REPORT

List of articles citing

**Effect of Adherence to Oral Anticoagulants on Risk of Stroke and Major Bleeding Among Patients With Atrial Fibrillation**

**DOI: 10.1161/jaha.115.003074**

**Journal of the American Heart Association, 2016, 5, .**

**Source:** <https://exaly.com/paper-pdf/65618211/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
