

CITATION REPORT

List of articles citing

Forensic investigation of OneDrive, Box, GoogleDrive and Dropbox applications on Android and iOS devices

DOI: 10.1080/00450618.2015.1110620

Australian Journal of Forensic Sciences, 2016, 48, 615-642.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
