# CITATION REPORT List of articles citing

Catalytic carbon dioxide hydrogenation to methane: A review of recent studies

DOI: 10.1016/j.jechem.2016.03.009 Journal of Energy Chemistry, 2016, 25, 553-565.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
