

CITATION REPORT

List of articles citing

Tolerability and Pharmacokinetics of Hydronidone, an Antifibrotic Agent for Hepatic Fibrosis, after Single and Multiple Doses in Healthy Subjects: an Open-Label, Randomized, Dose-Escalating, First-in-Human Study

DOI: 10.1007/s13318-015-0316-z

European Journal of Drug Metabolism and Pharmacokinetics, 2017, 42, 37-48.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
