

CITATION REPORT

List of articles citing

Pyruvate kinase type M2 promotes tumour cell
exosome release via phosphorylating
synaptosome-associated protein 23

DOI: 10.1038/ncomms14041
Nature Communications, 2017, 8, 14041.

Source: <https://exaly.com/paper-pdf/65942300/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
