

# CITATION REPORT

List of articles citing

## PDE5 Inhibitor Tadalafil and Hydroxychloroquine Cotreatment Provides Synergistic Protection against Type 2 Diabetes and Myocardial Infarction in Mice

DOI: 10.1124/jpet.116.239087

Journal of Pharmacology and Experimental Therapeutics, 2017, 361, 29-38.

**Source:** <https://exaly.com/paper-pdf/65955120/citation-report.pdf>

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
