

CITATION REPORT

List of articles citing

Early Canadian Multicenter Experience With
WATCHMAN for Percutaneous Left Atrial Appendage Closure

DOI: 10.1111/jce.13168

Journal of Cardiovascular Electrophysiology, 2017, 28, 396-400

Source: <https://exaly.com/paper-pdf/65966400/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
