

# CITATION REPORT

List of articles citing

**Dementia and co-occurring chronic conditions: a systematic literature review to identify what is known and where are the gaps in the evidence?**

**DOI: 10.1002/gps.4652**

**International Journal of Geriatric Psychiatry, 2017, 32, 357-371**

**Source:** <https://exaly.com/paper-pdf/65969996/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
