106	(Post?)qualitative inquiry in sport, exercise, and health: notes on a methodologically contested presentThis manuscript is based on a keynote address given by the author to the 5th International Qualitative Research in Sport and Exercise (QRSE) conference, Chichester, England, August 31 2016. I thank the conference director, Melissa Day, and all of the members of the conference for making possible for me attending the invitation and for organizing such an invigorating conference. I also thank Norman Brown. <i>Qualitative Research in Sport, Exercise and Health</i> , 2017, 9, 258-270	7	34
