

CITATION REPORT

List of articles citing

Point-of-care testing for emergency assessment of coagulation in patients treated with direct oral anticoagulant

DOI: 10.1186/s13054-017-1619-z
Critical Care, 2017, 21, 32.

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.
The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
