

CITATION REPORT

List of articles citing

Effect of Current Dietary Recommendations on Weight Loss and Cardiovascular Risk Factors

DOI: 10.1016/j.jacc.2016.10.089

Journal of the American College of Cardiology, 2017, 69, 1103-

Source: <https://exaly.com/paper-pdf/66096655/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

| # | Paper | IF | Citations |
