

CITATION REPORT

List of articles citing

Recent updates on electronic cigarette aerosol and inhaled nicotine effects on periodontal and pulmonary tissue

DOI: 10.1111/odi.12652

Oral Diseases, 2017, 23, 1052-1057.

Source: <https://exaly.com/paper-pdf/66118136/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
