

CITATION REPORT

List of articles citing

Global Cardiovascular and Renal Outcomes of Reduced GFR

DOI: 10.1681/asn.2016050562

Journal of the American Society of Nephrology: JASN,
2017, 28, 2167-2179.

Source: <https://exaly.com/paper-pdf/66186838/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
161	Epidemiology: The global burden of reduced GFR: ESRD, CVD and mortality. 2017 , 13, 447-448		15
