

The effect of technological innovation on production-based emission productivity: Evidence from BRICS countries

African Journal of Science, Technology, Innovation and Development
9, 503-512

DOI: [10.1080/20421338.2017.1308069](https://doi.org/10.1080/20421338.2017.1308069)
