

CITATION REPORT

List of articles citing

Use of Hydroxychloroquine Is Associated With Improved Lipid Profile in Rheumatoid Arthritis Patients

DOI: 10.1097/rhu.0000000000000502

Journal of Clinical Rheumatology, 2017, 23, 144-148.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
