

CITATION REPORT

List of articles citing

Sachdev-Ye-Kitaev model and thermalization on the boundary of many-body localized fermionic symmetry-protected topological states

DOI: 10.1103/physrevb.95.115150
Physical Review B, 2017, 95, .

Source: <https://exaly.com/paper-pdf/66645308/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
