

CITATION REPORT

List of articles citing

The occurrence of *Toxocara* species in naturally infected broiler chickens revealed by molecular approaches

DOI: 10.1017/s0022149x16000559

Journal of Helminthology, 2017, 91, 633-636.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
