

CITATION REPORT

List of articles citing

Ab Interno Gel Implant for the Treatment of Glaucoma Patients With or Without Prior Glaucoma Surgery: 1-Year Results

DOI: 10.1097/ijg.0000000000000803
Journal of Glaucoma, 2017, 26, 1130-1136.

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
