

CITATION REPORT

List of articles citing

High Symptom Burden and Low Functional Status in the Setting of Multimorbidity

DOI: 10.1111/jgs.15045

Journal of the American Geriatrics Society, 2017, 65, 2285-2288

Source: <https://exaly.com/paper-pdf/67052884/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
