

CITATION REPORT

List of articles citing

Oral complications at 6 months after radiation therapy for head and neck cancer

DOI: 10.1111/odi.12710

Oral Diseases, 2017, 23, 1134-1143.

Source: <https://exaly.com/paper-pdf/67116547/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
