

# CITATION REPORT

List of articles citing

## The paradox of Th17 cell functions in tumor immunity

DOI: 10.1016/j.cellimm.2017.10.015  
Cellular Immunology, 2017, 322, 15-25.

**Source:** <https://exaly.com/paper-pdf/67473668/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
