

CITATION REPORT

List of articles citing

Censoring-robust estimation in observational survival studies: Assessing the relative effectiveness of vascular access type on patency among end-stage renal disease patients

DOI: 10.1007/s12561-016-9162-z

Statistics in Biosciences, 2017, 9, 406-430.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
