CITATION REPORT List of articles citing

Nicotine, aerosol particles, carbonyls and volatile organic compounds in tobacco- and menthol-flavored e-cigar

DOI: 10.1186/s12940-017-0249-x Environmental Health, 2017, 16, 42.

Source: https://exaly.com/paper-pdf/67593985/citation-report.pdf

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
