

# CITATION REPORT

List of articles citing

Acceptability and use of coercive methods across differing service configurations with and without seclusion and/or psychiatric intensive care units

DOI: 10.1111/jan.13197

Journal of Advanced Nursing, 2017, 73, 966-976.

**Source:** <https://exaly.com/paper-pdf/67631501/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
