List of articles citing

## Approach to the Management of Autoimmunity in Primary Immunodeficiency

DOI: 10.1111/sji.12506

Scandinavian Journal of Immunology, 2017, 85, 13-29.

**Source:** <https://exaly.com/paper-pdf/67637444/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
