

CITATION REPORT

List of articles citing

Particulate matter pollution in the coal-producing regions of the Appalachian Mountains: Integrated ground-based measurements and satellite analysis

DOI: 10.1080/10962247.2016.1245686

Journal of the Air and Waste Management Association, 2017, 67, 421-430.

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
