

CITATION REPORT

List of articles citing

Pre-supernova outbursts via wave heating in massive stars I. Red supergiants

DOI: 10.1093/mnras/stx1314

**Monthly Notices of the Royal Astronomical Society,
2017, 470, 1642-1656.**

Source: <https://exaly.com/paper-pdf/67845410/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
