List of articles citing

## Missing data and multiple imputation in clinical epidemiological research

DOI: 10.2147/clep.s129785  
Clinical Epidemiology, 2017, 9, 157-166.

**Source:** <https://exaly.com/paper-pdf/68332968/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
